and what have you

by BOB CRAIG

Slowly the downtown area of our city is getting a face lifting—unfortunately for the most part it has been the better looking buildings that have been remodeled rather than the ones that mar the looks of the downtown district the most.

The latest improvement to the business district will be Turner-Nail's new office building next door to Bailey's Department Store. The new modern front to be constructed on the building will be a boost to the town.

It seems that too many people take a backward look at fixing up their place of business—they want to wait until their business gets good before they spend money fixing up, when it seems rather obvious that their business is not going to get better until they do fix their place up.

The outward appearance of a store tends to give the public an impression of the type of business inside.

This has been one of those weeks where I have had an unusual amount of trouble coming up with copy for this space filling column and have had to resort to borrowing some jokes from the Lion Club's monthly magazine.

A man was notified by his psychiatrist, "If you don't pay your bill, I'm going to let you go crazy."

Did you hear about the resident of Cape Canaveral, Florida, who was on his first visit to the nation's capital? On viewing the Washington Monument, he remarked, "They'll never get it off the ground!"

The young man looked at the high prices on the night club menu, turned to his date and said, "What will you have, my plump little doll?"

The psychiatrist had been treating a patient for an inferiority complex for two years. He finally told him, "I have good news for you. You don't have an inferiority complex. You really are inferior."

A small town is the place where a fellow with a black eye doesn't have to explain. They already know.

Waitress: "This is your fifth cup, sir. You certainly must like coffee."

Customer: "Yes I do, or I wouldn't be drinking all this water to get a little."

When the grocer informed her the price of eggs was 60 cents a dozen she exclaimed, "Why, that's five cents for each egg."

"Yes, Mum," said the man, "but you must remember that one egg is a whole day's work for a hen."

They say it is better to be poor and happy than rich and miserable. But couldn't something be worked out, such as being moderately rich and just moody.

An elderly farmer wrote to a mail order house as follows: "Please send me one of the engines you show on page 787, and if it's any good, I'll send you a check."

"In time he received the following reply: 'Please send the check. If it's any good, we'll send the engine.'"

An eager-beaver salesman was trying to have a country storekeeper carry his product, and finally tried to bribe the fellow with a bottle of champagne.

"Oh, my conscience wouldn't let me take a gift," the merchant protested.

"What if I sell it to you for a dime?" asked the salesman.

"In that case," replied the merchant, "I'll take two."

A man was operating a manual rotisserie on his side lawn, turning the crank round and round, barbecuing a chicken. A beatnik, watching from the sidewalk, finally said, "I don't want to bug ya, dad—but your music's stopped and your monkey's on fire."

HOWARD, CLIFTON AND POE WIN UNOPPOSED CITY VOTE

Only 55 votes were cast in the election of city officials here Tuesday. Mayor John V. Howard Jr., was re-elected with 51 votes.

Aldermen Floyd Clifton and George Poe were elected with 53 votes and 54 votes, respectively.

Several write-ins were polled but each one received only one vote.

The officials will take office April 17 at the regular City Council meeting. Retiring aldermen are James D. Josey and John D. Ferguson.

BCD TRADE COMMITTEE PLANS BIG MAY CELEBRATION, SALE

The Trade Development Committee of The Hamlin Board of Community Development announced, today, that plans are underway for a big retail merchants celebration and sale. The date planned for the event is May 19.

The Retail Merchants have gone to considerable effort to bring a refreshingly different program, entitled "Auction Dollar Day," to the people of this area.

Many valuable FREE items will be offered for auction along with bargains galore and free entertainment.

A tuneful trio, headed by Belle Starr will entertain with outstanding music and comedy. The free shows will be scattered throughout the day and will be presented on the street for the public's enjoyment.

The shows blast off with music from the famous group "Belle Starr and The Texans." This group has performed all over the world and made a big hit with The Armed Forces in Europe on a tour last year. Their schedule takes them on a tour of Alaska early next year, where they will play for the Armed service groups as well as the larger night clubs.

It all adds up to an exciting event. Ask any participating merchant.—He will be happy to give you all the details.

RITES HELD FRIDAY FOR MRS. TEAGUE

Funeral services were conducted Friday at 2:00 p.m. in the First Methodist Church for Mrs. R. V. (Elizabeth) Teague, 86, a resident of Hamlin for 65 years. She had been ill for about six months and had been hospitalized for three days prior to her death.

Mrs. Teague was born Feb. 19, 1876, in Eastland, Her parents were Mr. and Mrs. Richard J. Huff. On October 2, 1892, she was married to R. V. Teague in Cottonwood. Mr. Teague, a retired farmer, died August 15, 1957.

A member of the First Methodist Church, services were held there with the pastor, the Rev. Edmund W. Robb, officiating. Burial was in Hamlin East Cemetery with grandsons as pallbearers.

Survivors include three sons, R. S. of Abilene, S. C. of Anson, S. A. of Hamlin, seven grandchildren and seven great-grandchildren.

Library Week To Be Observed Here Next Week

Library Week—April 8-14—will be celebrated in Hamlin by the women's clubs which constitute The Woman's Forum by donations of books to the Harden Memorial Library. This announcement was made this week by Mrs. C. J. Rollis, Library chairman of the Hamlin Woman's Forum.

In preparation for, summer, when more children check out books, the library committee has been building up the juvenile section of the library. Donations of all kinds of books are appreciated, but as there is more wear and tear on juvenile books than on adult fiction, duplicates are welcome, so parents are invited to donate any books their children have outgrown.

Richard Young Jr. is seeking re-election. He is the present secretary. Joe Hudspeth is seeking the post vacated by W. C. Eoff, whose term expired this year.

JAYCEES TO SPONSOR PLAY HERE SATURDAY, APRIL 14

Sparks fly as well as saucers, when Melanie Jones, meets Rudolph Brooks. It's an odd combination of a swindling scientist and a farmer's daughter. He's trying to steal her father's money, she manages to keep the money and the culprit, in a gay play on words in "THE MONEY SAUCER," a sparkling, romantic, satirical comedy coming to the High School Auditorium on the night of April 14.

It may not be entirely new, but it's refreshingly novel when two loves scenes take place on the same stage, at the same time. You'll love Melanie Jones, you'll find Joe

Brooks an engaging culprit, and Charlie, the truck driver, the living end.

Light, frothy comedy, the "MONEY SAUCER" comes to our town with the National Variety Players, a touring theatrical troupe. The Hamlin Jaycees will use the proceeds from "THE MONEY SAUCER" for their Youth Fund. There's a full evening's entertainment, laughter, music, and vital living theatre in store for everyone who attends "THE MONEY SAUCER." Make up a party of your friends and neighbors, bring the old folks and the kids. It is a laugh riot. The night of April 14 at the High School auditorium.

G. W. WAINSCOTT
... 92, still rides

G. W. WAINSCOTT, AT 92, OLDEST RIDING CLUB MEMBER

G. W. Wainscott, 92, oldest member of the Hamlin Riding Club, was one of the many members and guests who attended the free barbecue hosted by the club at the local arena Saturday, March 24.

Wainscott, a retired stock farmer, lives five miles south east of Hamlin. He is a member of the Fairview Baptist Church, the community church a few miles from his home.

He is a strong believer in plenty of fresh air and exercise and feels that the American people are growing weaker physically because of the lack of exercise.

He also feels that the riding club offers the younger generation the opportunity of getting necessary exercise and is also a way of having good clean fun. He also added, "It is fun to look on, even if one does not participate."

When asked to what he contributed his long span of life, he answered, "Work, some form of recreation and being honest with ones' self and his fellowman."

High School Students Hear Cuban Monday

Alberta Ferreiro, a native of Oriente Providence, Cuba, spoke to the Hamlin High School student body Monday in an assembly presented by the Future Homemakers of America as part of their observance of National FFA Week.

He spoke on "Cuba, My Home Land."

Ferreiro, a senior language major at McMurry College of Abilene, speaks Italian, French, Spanish and English. He plans to continue his studies to become an interpreter.

The guest speaker came to the United States in 1958 and his father arrived in the states just last week. His parents are now in Miami, Florida.

Local Firm Named To Handle IH Tractor Parts

A. A. (Buddy) Wade, of Wade Butane and Appliance in Hamlin announced this week that he has made arrangements with Buile's in Stamford whereby he is the sole agent for International (Farmall tractor) parts in the Hamlin area.

Wade stated, "We intend to have a full supply of tractor and implement parts for all Farmall products—on very unusual parts which we do not have on hand we can telephone up to 3:00 p.m. in the afternoon and have the part here the next morning. We are looking forward to giving better service to all the tractor users of this area and Arnold Johnson will continue to serve all makes of tractors as he has in the past."

Easter Seal Canvass Nets \$870.43 Here Tuesday

Collections totaling \$870.43 were taken Tuesday evening in a door canvass for the Easter Seal Campaign. The annual drive, sponsored by the Beta Sigma Phi sorority, was chairmaned this year by Mrs. Bill Feagen of Xi Gamma Pi Chapter and Mrs. James E. Harrison of Beta Theta Chapter.

Seals were distributed by the workers in the residential area.

The canvass of the merchants began Tuesday morning.

The money is used to aid the crippled and handicapped. Many from this area are helped at the West Texas Rehabilitation Center in Abilene. Seventy-seven percent of the money the Center from collection from seals drive funds will go and \$74.25 was taken in the downtown Lily Sale.

At this time last year \$1,741.91 had been turned in to Saturday, April 14.

PRE-SCHOOL HEALTH CLINIC SET APRIL 12

The annual free pre-school clinic will be held at 1:00 p.m. Friday, April 12, in the primary cafeteria for the pupils who will enter school here in the fall.

Dr. M. L. Smith and Dr. James E. Harrison, D. D. S. will be in charge of the examinations.

A health record will be made for each child. Each mother is asked to bring a record of their child's immunizations and the diseases that they have had.

Smallpox vaccinations will be given to those who desire to have them on the day of the clinic.

Pre-Schoolers To Visit School Tuesday, April 10

A pre-school visitation day for all beginners for another school year in the Hamlin Consolidated Independent School District has been set for Tuesday, April 10 according to school officials.

All children who will be in the first grade next year are invited to visit school from 8:30 a.m. to 1:30 p.m.

The children will need to bring 35 cents to eat in the school cafeteria. They will also need to bring their birth certificates in order to be registered for the next year.

A short program, for the mothers will be conducted in the cafeteria by Mrs. Bill Shira, president of the Parent-Teachers Association. Musical numbers will be presented by the second grade pupils under the direction of Mrs. Willard Maberry, public school music teacher.

Tommy Carpenter of Edinburg is visiting his parents, Mr. and Mrs. Fred Carpenter.

TEXAS TRAFFIC DEATHS INCREASED FROM 2,254 IN 1960 TO 2,314 IN '61; DEATHS PER MILES DOWN

AUSTIN—The Texas Department of Public Safety has officially closed the 1961 traffic "death book," and reported that last year 60 more persons died in Texas traffic than in 1960.

The motorcade total was 2,314 as compared to 2,254 in 1960, or an increase of 3 per cent.

The report, prepared by the Department's Statistical Services, indicated that although the number of motorcades increased, the death rate—the number of deaths per 100,000 miles traveled—decreased from 4.9 to 4.8, the lowest rate on record in Texas. In 1961, Texans traveled 47.9 billion miles, or 3.42 per cent more miles than they did in 1960.

In addition to the 2,314 deaths, in 1961 there were an estimated 132,570 injuries sustained in 324,149 motor vehicle accidents.

On an average, last year in Texas traffic, a person was killed every three hours and forty-seven minutes, and a

traffic accident occurred every 97 seconds.

Col. Homer Garrison Jr., Director of the DPS, said: "It is a sobering thought to realize that the number of persons killed on Texas streets and highways was greater than the populations of most Texas towns, and that the number of injuries was more than the population of Lubbock. When the economic loss resulting from traffic accidents in 1961—over 356 million dollars—is added to these losses, the problem we face is only too apparent."

"Texans must accept the challenge posed by these figures. The best way to do this is for every driver to obey the traffic laws, because in almost every accident at least one violation is involved."

Mrs. F. W. Eakens of Columbia, Mo., returned to Hamlin with Mr. and Mrs. Darwin Barnes to spend a month here with her daughter, Mrs. Barnes.

FIRE CHIEF THANKS PUBLIC FOR HOLDING FIRES DOWN

With the first quarter of 1962 just past, Fire Chief C. L. White, this week expressed the appreciation of the Fire Department to the townspeople for helping to hold the city's fire losses to a minimum.

"Dead grass and weeds have especially been a fire hazard during this period," he said, "but recent showers and green grass coming out have caused grass fires to drop considerably."

Chief White said there are about 10 firemen within a two block radius of the fire station during working hours. He also said that the department appreciates the fact that the businesses let their employees who are firemen go to fires during working hours. Several of the men are self-employed and also leave their jobs to answer alarms.

Names of the volunteer firemen and their employment are listed here: J. O. Murphree at Edd Branscum, Hamlin Auto Parts; Marshall Bevans at Lee Flowers, Pied Piper Mill; Sol Branscum, owner, Branscum Service Station; Bryan Conner, self employed; Trav Conner, Connolly Ford Sales; Don Elmore, U. S. Post Office; Bill Harrison, White's Auto Store; Lee Hastings, owner, Hastings's Service Station; Ray Huling, owner, Huling Service Station; Earl Johnson, owner, Johnson's Welding Supply, all freight service; J. D. Josey, Hamlin Paint and Body Shop; Ewell Mackey, The Border Company.

J. D. Miller, City of Hamlin; Lester Minton, Lone Star Gas Co.; Bobby Scifres, Celot Corporation; Kenneth Scifres, John D. Ferguson; Bill Thomas, Piggly Wiggly; Ellis West, Mid West Cooperative Oil Co.; C. L. White, Texas Highway Department, and Jack White, owner, White's Garage.

Fairview Baptist Enter Church Achievement

The Fairview Baptist Church, 7 miles southeast of Hamlin, has entered the 1962 Texas Baptist Achievement Program according to the pastor, Rev. Derrel Lewis.

Sponsored by the Baptist General Convention of Texas, the program is designed to stimulate interest in small-church work by providing growth incentives. Outstanding achievements by pastors and churches in areas of church, community and world improvement are recognized locally and at the annual Baptist convention.

Records and scrapbooks of program progress are made under the direction of three special committees. The scrapbooks are the basis for judging on the associational, district and state-wide levels.

The church was recognized for work done last year when they received the Jones County Association award for completing their proposed projects.

Mr. and Mrs. Troy Studer, employees of the Hamlin Theatres for the past two years, are moving this week to Mart, Texas. He is the new manager of the Texas Theatre there. He assumed responsibilities there March 29.

Tommy Carpenter of Edinburg is visiting his parents, Mr. and Mrs. Fred Carpenter.

Other chairmen helping in the planning are Mmes. W. Cassle, Fred Carpenter, Joe Edd Day, F. B. Moore, R. Moore, Tarleton Willingham and Loy Hill.

One Fire Call

Only one fire alarm has been sounded since last week. The alarm on Thursday, March 29 at 3:05 p.m. was for a gas fire in the north east section of town.

Garden Club Sets Date for Annual Flower Show Here

"The Color Wheel in Flowers" will be the theme of the Hamlin Garden Club's annual flower show to be held April 21 from 3:00 to 7:00 p.m. at the Hamlin High School Gymnasium. The show is open to the public and there is no admission charge.

Mrs. B. B. Colwell is chairman. She and the president of the club, Mrs. M. York, will be assisted by Mrs. La Foy Patterson, scheduled chairman, and Mrs. Har Bonner, staging chairman.

Other chairmen helping in the planning are Mmes. W. Cassle, Fred Carpenter, Joe Edd Day, F. B. Moore, R. Moore, Tarleton Willingham and Loy Hill.

There were only 4 days a year when no fatal accidents occurred in Texas.

14 counties—Borden, Boster, Delta, Hansford, Hamman, Kent, Lipscomb, Love, Mason, Rains, Roberts, Sorville, Sutton and Upton—no fatal accidents or deaths during 1961.

The largest increase in number of deaths in 1961 was the previous 3 year average was 20.7 in Lubbock County.

The largest decrease in number of deaths in 1961 was the previous 3 year average was 14.3 in Cameron County.

131 counties had fewer deaths in 1961 than the previous year average.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, —At a joint meeting of the Governor's Highway Safety conference and the Texas Safety Association, Gov. Price Daniel said that good traffic safety legislation still is lacking because citizens "have never taken enough time and trouble to tell their legislators exactly what they want."

He said that five bills which have failed to pass will be introduced in the January session, regardless of the identity of your next governor. These concern:

1. State financing to pay the salaries of driver - educator teachers in public schools.
 2. Complete revision of the driver-licensing law.
 3. A chemical test law for use in cases of driving while intoxicated—designed to free the innocent and provide medical evidence against the guilty.
 4. Adequate city and county traffic courts of record to handle traffic cases with efficiency and justice.
 5. Authorization for additional highway patrolmen and additional pay for Department of Public Safety personnel.
- Although the Legislature lately approved 51 additional highway patrolmen, a \$300 increase in pay and set a floor of \$4,947 annual salary, the governor reported the patrol still is 150 men short of its authorized strength of 804. He feels the pay hike was insufficient.

VOTERS LIST—Comptroller Bob Calvert added up the poll taxes and exemptions sent in by the counties and found 2-355,159 Texans qualified to vote.

This is an increase of 300,000 from 1958, the last non-presidential election year. But it is virtually the same as the number of qualified voters in 1952.

Still holding the record is 1960 with 2,599,924 Texans qualified to vote.

TEACHERS QUIZZED—Texas school teachers are pretty good at answering their examinations.

Texas Education Agency sent out questionnaires to about 95,000 school people. They expect a 30 per cent return but 92,000 answered.

Questions were part of a Texas Legislative Council study of teacher training.

Results will be fed through computers to give lawmakers an idea of what school people think about the way public

schools are run and how teachers are trained.

WATER LOANS HIT—The state will borrow another \$15,000,000 on April 19 to help local water districts, river authorities and cities on their water projects.

Texas Water Development Board has the authority to borrow up to \$100,000,000 for this purpose.

Its first bond issue of \$10,000,000 is nearly used up in four loans. So another \$15,000,000 worth of bonds will be sold.

Major project helped so far by this state program is the Toledo Bend reservoir on the Sabine River near Newton. It will get a \$15,000,000 loan over the next four years.

PADRE STUDY—Herb Petry, chairman of a special committee to study the various proposals for making Padre Island a recreation area, said the committee will have a meeting in April to decide on its recommendations.

Governor Daniel appointed the committee after differences developed as to whether Padre Island should be turned into a recreation area by the federal or state government.

A bill in Congress has authorized federal purchase of a large part of the island as a national seashore area. But the bill has not passed the House of Representatives because South Texas Congressmen favor a smaller area, if any at all.

GI FARMS—Veterans Land Board has sold 20 repossessed GI farms for \$19,000 more than it had invested in them.

But it turned down bids on a Grayson County tract which

NEINDA PHILOSOPHER OFFERS HIMSELF IN SCIENTIFIC TEST TO SEE IF FRIENDSHIP CAN BE BOUGHT

Editor's note: The Neinda Philosopher on his Johnson Grass farm on Route 1 discusses foreign aid this week, without coming to any positive conclusions.

Dear editor:

Lots of candidates throughout the country, I've noticed, whether they're running for justice of the peace or Congress or what not, when they can't find anything else to run against, sometimes run against Foreign Aid.

Why give all this money away to foreign countries, they demand, pointing out that regardless of the billions of dollars we've spent, the world is in possible worse shape than it was before we started.

I don't know anything about Foreign Aid, except that any new President that gets elected, whether he's a Democrat replacing a Republican or a Republican replacing a Democrat, and after he's been there long enough to get familiar with his job and the shape of

Board tried, but failed, to put a block deal back together by advertising for bids on an 860 acre farm in Zavala County. Board had set the minimum bid at \$150,000 but nobody bid.

Only qualified veterans who have not made GI land loans were eligible to bid on the tracts.

SUNDAY SALES—Attorney General Will Wilson has held that the new law which prohibits car-house sales on Sunday or Saturday does not prohibit the sale of mobile homes (house trailers.)

New law requires retailers in many lines to close either on Saturday or Sunday.

U.S. CHOICE: GAS BROILING

It's smokeless! No wonder 85 out of 100 women prefer cooking with gas! Gas cooks cooler, cleaner. Broils smokelessly with the broiler door closed. You never suffer with a heat-or spatter-filled kitchen. The clean blue flame consumes the smoke. Save on your glamorous new gas range now.

SPRING GAS RANGE SALE AT GAS APPLIANCE DEALERS AND LONE STAR GAS COMPANY

By MRS. ELMER JOINER

Bud Goodwin, speaker from the TANE organization, spoke at the Fairview church Sunday morning at 9:00 A.M. The children went to their Sunday School classes and the adults heard the talk on the fight against alcoholic beverages.

Visitors for the preaching services were Mr. and Mrs. Johnny Lewis, parents of the pastor, Mrs. Will Madden and Mrs. Bertie Wright, both aunts of Rev. Lewis.

Last Wednesday night prayer services and Family Night were held together at the church. About thirty persons were present. The program was a singing, followed by a game, in which the pastor and wife were the winners, the prize being an old time pounding. Since this was the first time to get together for Family Night with the new pastor, the love gifts were brought to welcome them into our church and community. Refreshments were served, and a time spent in fellowship before time to go home.

The ordination services will E. C. Gray in the Anson Hos-

pital the past week.

Mr. and Mrs. Woodrow Goodwin, accompanied by Mr. and Mrs. Bryan Goodwin, visited with their aunt, Mrs. Kate Goodwin in Stamford Sunday afternoon.

Mr. and Mrs. Jimmy Joiner and children spent the weekend in Fairview community again this week. Jimmy completed the work on Mrs. Fred Rosenbaum's cabinet and put a new top on Mrs. E. A. Henry's also.

Saturday afternoon, Linda Goodwin went as a guest of Suzanne Wicker, to the Hamlin Lake to attend a Sunday School picnic. The class was from the First Methodist Church of Hamlin.

Mr. and Mrs. Winson Gray attended the singing at Anson Sunday afternoon. Several were planning to go but were ill and unable to attend.

Mr. and Mrs. Mel Jones are really busy painting as they got the contract to paint the houses at the T.P. Camp, just north of Hitson.

Mr. W. C. Eoff's brother, H. O. Eoff, Merkel, passed away last Wednesday and was buried at Merkel Thursday afternoon. Mr. Eoff was a victim of cancer and had been ill some time.

Mr. and Mrs. Jack Buske visited Mr. and Mrs. August Buske Sunday afternoon in Anson.

Mr. and Mrs. Alvie Wade of Tulsa are here visiting Mr. and Mrs. Oran Brigham and Randy.

Donnie French of Denver City came Thursday for a visit with Mrs. Ruth Apperson, John and Dulin.

The Appersons have just finished sheetrocking and painting the interior of their home. The Edwin Tacklers have also done some remodeling at their home.

Mr. and Mrs. Elton Brigham and children are here visiting Mr. and Mrs. Edgar Brigham and other relatives.

Mr. and Mrs. Harvey Rivers of Lubbock visited Mr. and Mrs. Joe Carlton, Sarah and Kate Sunday.

Mr. and Mrs. Doyle McKinnon left Sunday morning for Lubbock where they will visit Mr. and Mrs. Doyle McKinnon Jr. and children.

Mr. Ed Pritchard of Abilene was a lunch guest of his parents, Mr. and Mrs. Clyde Pritchard Tuesday. Mrs. Pritchard, Sandra, Eddie and Tony visited them Saturday night.

Mr. and Mrs. Chester Bates of Kress spent Saturday night with Mr. and Mrs. Jack Buske Sandra and Jackie.

Mrs. Travis Buske and her daughter, Nora Mae, of Wellington, spent Wednesday night with the Jack Buskes.

Mrs. T. Brady of Sweetwater was a visitor in the home of Mr. and Mrs. Ben Ashburn one day last week.

My two opponents for the state senate are promising that they will correct the inequities in the sales tax and the insurance rating system if they get back to Austin. They've been there for twenty years between them. And they have been passing inequitable laws ever since they have been there.

I guess they have to pass these things so they will have something to promise when they are trying to get reelected. They promise to undo what they did if you will send them back.

The need for expansion applied to advertising during advertising in an expanding economy is dramatically reflected in the newspaper advertising of Sears retail stores.

Sears is now spending approximately \$60 million annually for newspaper space.

This represents a two hundred per cent increase since 1953. The company's retail stores are spending 15 times more for newspaper advertising than they did in 1930.

The company is practicing a principle which has been recognized recently by economists and retail leaders—i.e., that advertising budgets must necessarily become progressively larger as more money becomes available to the consumer.

Not only does effective advertising reduce rent and labor expenses, it also brings about a steady increase in sales volume. It is a paying investment which cuts all overhead.

But there is a more important reason for increasing the percentage of gross income ap-

School Workshop In San Angelo Planned Tuesday

SAN ANGELO—A workshop for school board members and public administrators within driving distance of San Angelo will be held at San Angelo College, 3:30 to 8:30 p.m., on Tuesday, April 10. The workshop is one of the 19 sponsored by the Texas Association of School Boards.

Calvin Hibler, Austin, assistant director of program development of Texas Education agency, will give the keynote address on the theme "Quality Education—Achievement or Goal."

Donald Nugent, Austin, executive director of Texas Association of School Boards,

will represent that organization at the workshop, and Ed Hunter, managing editor of the San Angelo Standard-Times will be featured speaker at the dinner session.

Says Dr. R. M. Canvess, the president of San Angelo College, who is workshop coordinator, "School board elections have just been held, so the workshop program and special handbook will be invaluable in helping new board members to become oriented to their new tasks. We extend a hearty invitation to school board members and school officials from this area to attend."

The workshop will meet in the Student Center building and an informal dinner will be held there for those attending the workshop.

Lewis Mac Reid Doing Six Weeks Practice Teaching

Lewis Mac Reid, son of Mr. and Mrs. Burnia Reid of Hamlin, is doing six weeks of student practice teaching in the vocational agriculture department in Crosbyton High School according to Harold Eades, teacher in that school, and

who was teacher with T. C. Blankinship in the local vocational department from 1949 to 1958. Reid is a senior agricultural education major in Texas Tech and is doing practice teaching in order to qualify for the Smith-Hughes certificate, which is required of all prospective teachers of high school vocational agriculture.

"Reid was a good student in high school at Hamlin and is doing a splendid job in this department," says Eades. He is teaching three classes in these areas of instruction: breeds of livestock and livestock judging, grass identification, soil conservation and land judging, and farm mechanics.

Reid will end his period of instruction at Crosbyton on April 27. "It is a very gratifying experience to have a former student to ask to do his student teaching in our department and I know that the people of Hamlin will be justly proud of the record that I expect Mac to make when he assumes a regular teaching position," Eades concludes.

One reason for many traffic violations is the fact that the long arm of the law is often short-handed.

GOOD CATCH — WRONG MATCH

Dear Amy:
I was chosen to write to you. Four women and myself belong to a club that meets once a week. Last week at the meeting, the girls were talking about your column. One of them said that you are single and that she knows your brother.

Well... we have a terrific man that would like to meet you. He's handsome, a college graduate and has a wonderful personality. Please let us know how you feel about this. We hope that you don't think we're too forward, but we mean well!

The Match Makers
Dear Match Makers:
I'm flattered at your offer, but you're eighteen years too late. I'm not only matched, but I've hatched!

P.S. Incidentally, I don't have a brother.

Dear Amy:
My wife and I were divorced 6 years ago but I still hold her in great admiration.

She has married again and I still send her cards for special occasions: Birthday, Christmas, and our Anniversary.

My friends say that it isn't proper. I want to know whether you think it's right or not.

Henry
Dear Henry:
Frankly I think this depends on the circumstances. If there is any possible doubt in your mind that these cards are causing your former wife any uncomfortable moments, I do think you should stop sending them. A card on your anniversary seems to me to be uncalled for at this point.

Dear Amy:
My husband and I are on Social Security. We are having a hard time finding an apartment within our means. Wherever I go, rents are so high. I really can't find a decent place to live. Where are older people supposed to live? Is there anything you can suggest?

High Rents
Dear High Rents:
I don't know if it's any consolation to you, but your problem is a national one. At the present time, our legislature is trying to work out a plan to assist the senior citizens of our country in securing low rental housing. In the meantime, I suggest you write your

OUTDOORS IN TEXAS

Although you don't see many cigarette smokers who roll their own anymore, the fad of "it yourself" is just hitting the shotgun field in a big way. More and more hunters are doing their own shells. There are many reasons for boom in handloading. For one, it is a fascinating hobby which can be enjoyed at home. Another, shotgunning no longer is just a fall hunting sport. There are many hunters to bang away at clay targets, skeet and trap ranges throughout the year. But probably the primary reason for its phenomenal growth is the economy angle. Handload ammo is cheaper than at bought off the shelves of sporting goods stores. A shooter who burns up much ammunition has found that he can pay for a handloading outfit in a couple of seasons or less. And since the equipment

is durable and will last indefinitely, it isn't long before he's reaping the full benefit of the savings. More than 50 per cent savings is effected by the hunter who loads his own ammo. The reloader can put out a box of ammo for something like \$1.30 to \$1.50, depending of course on what kind of load is preferred. Good handloading tool will cost between \$30 and \$100. Cheaper tools handle only one size shell, but the more expensive ones take interchangeable dies which permit loading of all types of shells, from .410 to 10-gauge magnum. With one of the better tools even a person just learning the operation can turn out two boxes of ammunition in an hour's time. Some of the brand names of handloading tools are Texan, Lyman, C.H. Acme, Pacific, Herter's and Hollywood, among others. Components necessary for shotgun shell reloading are primers, powder, shot and wadding. Used commercial hulls can be reloaded from one to three times. Nowadays hulls are hard to come by. Gun club members keep their ranges picked clean. However, the hulls alone can be purchased for about \$3 per hundred. These are new, primed cases. Components come cheaper, naturally, when bought in bulk form. Primers list at \$14.95 for a box of 1,000. Shot comes in 25-pound bags at \$7.50 per bag. Powder is available in different sized lots. One-half pound sells for \$1.80; three-pound kegs cost \$9; and 12-pound kegs are \$28. Over-shot wads are priced at about \$1.65 to \$2.15 per 1,000, while filler wads range from \$2.65 to \$3.25 for 500. (All these are listed prices and may be slightly higher or lower, depending upon the retail sources.) It takes almost four 25-pound bags of shot and about three pounds of powder, to reload 1,000 shells. Shotgun shells are easier to reload than rifle ammo because measurements don't have to be so exact. In a rifle load excessive pressures can build up when even a fraction of a grain of excess powder is poured into the case. But since the shotgunner uses an altogether different kind of powder, such minute measurement isn't necessary. Nevertheless, anyone handloading shotgun shells should use common judgement. Probably the best booklet on handloading is the Lyman "Reloader's Handbook." It costs \$2 and is available at most sporting goods stores. This book gives the lowdown on all kinds of handloading—shotgun, rifle and pistol. It outlines the exact procedures for handloading and includes charts covering all kinds of different loads for every gauge of shotgun. For safety's sake, as well as tidiness, most handloaders carefully pack their equipment away in a box, when not in use, and bring it out on the kitchen table only when they are ready to work. An experienced handloader not only can turn out dependable ammo, but often his product exceeds in performance that which can be bought across the counter.

SUMMER TEMPORARY PASTURES RECOMMENDED BY SPECIALIST

College Station — Summer temporary pastures are a good bet for anyone owning beef or dairy cattle says E. M. Trew, extension pasture specialist. These pastures produce better quality forage than permanent pastures and this results in more beef or milk per acre. In addition, they permit resting of permanent pastures and ranges, and they often provide a source of hay. Best quality Sudangrass is an excellent grass for temporary pastures, says Trew. A slightly less desirable plant is a Sudan-Johnsongrass hybrid. These grasses are coarser and of lower quality than Sudan, but often produce higher yields. Sudan-grain sorghum hybrids can also be used. These are coarser still, but they produce

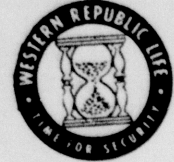

good yields and appear palatable. Pearl millet is suggested for use on poor, acid soils, on severely eroded heavy soils and on soils where Sudan "yellows out," he says. Summer temporary pastures can be planted any time after danger of frost is past, explains the specialist. If the pasture is to be used for grazing, the seed should be planted in 36-42 inch rows. For hay production the seed can be broadcast or close drilled. Correct fertilizer recommendations should be obtained by soil testing, emphasizes Trew. Application should be in bands 2-3 inches below and to the side of the seed at planting. If additional growth is needed after each grazing down or cutting, topdress with 30-50 pounds of nitrogen, pro-

viding adequate moisture is available. For local recommendations and publications on summer grazing crops, see your local county agent, suggests Trew. First national presidential nomination convention in the U. S. was held in Baltimore in 1831.

PIPER PATTFR

By SANDRA SMITH

Hamlin High School will be represented Saturday, April 7, when nineteen students go to Anson to participate in the District Interscholastic League Literary Contest. Thelma McClung and Roger Johnson are entered in the persuasive speaking contest, while Johnny Stovall will represent HHS in extemporaneous speaking. Darlene Josey and David Bingham are entered in poetry reading.

Entered in the typing contest are Joyce Bingham, Debbie Rountree and O. H. Weaver. Alternates are Sandra Jayroe, Billye Blankenship, and Julie Daniels.

Martha Jordan and Wayne Gray have been entered in the shorthand competition with Linda Bingham as alternate. Mark Smith, Billy Goodman and Thelma McClung will represent Hamlin in number sense, and Bill Richey and Gale Branscum will take part in the slide rule contest.

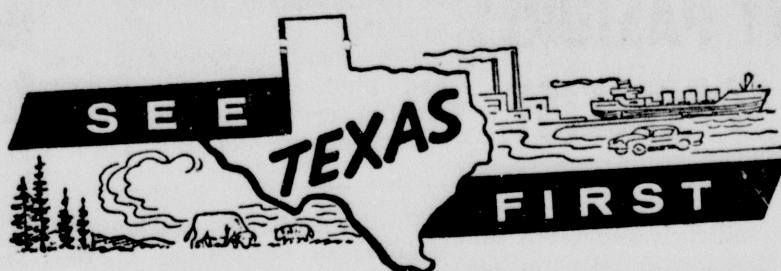

This is another important part of our school year, so let's all back these students.

The cast of the one-act play, "Antic Spring, will present their play to the HHS student body on Monday, April 9. The play will be presented at 1:00 in the high school auditorium.

We would like to congratulate these students on their outstanding performance at District contest, and to wish them luck as they go to Lubbock next Saturday, April 14, to participate in the regional contest.

Hamlin's tennis team obtained another district title for Hamlin High when they won boys' doubles over Stamford on Tuesday morning. Tommy Sewell and Everett Money defeated the Stamford team. There was no competition for the boys singles, the girls doubles, or the girl singles.

Guests in the Fred Carpenter home Friday night were Mrs. Callie Akins of Leonard, Mrs. Doyle Wilson of Lamesa and Miss Jean Akins of Midland.

Arch of Fun

Forming a 600 mile arch, the Texas coastline on the Gulf of Mexico is a paradise in fun and relaxation for year-round living.

Tremendous business opportunities have brought a huge upsurge of residents and development and the tourists increase every year.

Boating, fishing, swimming, shell collecting, gull feeding or just taking in the beauty of the area and enjoying life, the Gulf Coast is unsurpassed.

Not the least of the attractions is the fabulous Padre Island.

This 100 mile long silver of sand dunes and beaches is the longest remaining stretch of undeveloped coast line in the nation. It's unspoiled beauty is in itself perhaps one of the most talked about assets of the Gulf Coast area.

Its attraction is none the less diminished by the tales of buried pirate treasure from the former inhabitant—the pirate Jean LaFitte.

Put Your Little Foot Right Here

White man first set foot on Texas soil in 1528.

Since then, Texas soil has felt an ever increasing traffic of new feet. Between 1836 and 1845 for instance immigration from the United States to Texas almost quadrupled the population.

Now Texas stands as host of some of the nation's leading population centers. The 1960 census rated Houston sixth in the nation.

Texas has, by history, seemed to always attract those

seeking that special friendship or that exciting opportunity so well known throughout the world as uniquely characteristic of Texas.

Weatherford Walls Bullet Scarred

A double long cabin stands at Holland's Lake just a few miles east of Weatherford, Texas, west of Fort Worth.

Its east room is where George McCleskey was killed by Indians in 1873. This room still contains its bullet-scarred walls.

The cabin was a popular spot for old settlers reunions. Now it is a monument to the pioneers of Parker County.

Nacogdoches Was Battleground

You could write a book about the battles that were fought for Nacogdoches. Also one about the armies and expeditions that captured this East Texas town.

Two expeditions bent on freeing this land from the Spanish were those of Magee-Gutierrez and Dr. James Long. Both were ill-fated excursions.

As a reminder of this stormy history, one of the oldest of the many historic homes still in Nacogdoches today is that of Adolphus Sterne, the Alcalde at the city when it was under Spanish rule.

The Marvels of God's Creations

WHY DO FISH LIVE IN WATER? We can answer this

question partially by saying: that their lungs were

created to draw oxygen from the water. However, to

know how and why, we must look to God's word.

"In the beginning God created the heaven and the

earth." ... "And God said, let the waters bring

forth abundantly the moving creature

that hath life ..."

Attend Church and worship the one who

created these marvels.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SPRING, SUMMER CALENDAR OF EVENTS FOR TEXAS AVAILABLE

AUSTIN—The Texas Calendar of Events for spring and summer, largest and most complete in the 21-year history of the publication, was released today by the Travel & Information Division of the Texas Highway Department.

Included in the 12-page pamphlets are 351 special events in 138 Texas communities between April 1 and September 30. They run the gamut from fiestas to flower shows, from rodeos to stage productions.

Among the most unique are Luling's Watermelon Thump, Junction's Hill County Race Meet and Billy Sale and Boenre's Saengerfest. Included too is the Metropolitan Opera's spring program in Dallas, Houston's Bluebonnet Trail and the colorful Fiesta San Antonio in the Alamo City.

Like the kaleidoscope of interests Texans themselves represent, the publication mirrors their pageants both for their own benefit and that of the out-of-state visitor.

Last year 30,000 copies of the calendar were requested through the eight Tourist Bureaus the Highway Dept. operates at major highway entrances into Texas, through local chambers of commerce and through the mail.

The Highway Department issued its first calendar in 1941 a booklet-type affair naming 140 events occurring between June and December. In subsequent years the publication became a quarterly issue, then reverted to a semi-annual pamphlet in the late 1950s.

From the outset, Texas chambers of commerce have cooperated with the Highway Department by supplying lists of events in their areas felt to be of more than purely local interest.

Baptist Youth Rally Planned Sat. in Stamford

The Jones County Baptist Association Youth Rally will meet Saturday night, April 7, the 7 p.m. in the First Baptist Church of Stamford.

Dr. James Zambus of Hardin-Simmons will be the guest speaker. There will also be a brief panel discussion on the youth problems of today.

A fellowship with refreshments served will follow. All youth are urged to attend.
